VINEYARDS

2009 SEMILLON

The 2009 vintage presented us an opportunity to produce very small batches of varietal Semillon – a white variety that is among our personal favorites for its delicacy and fruitiness. It has been vinified in the same style as our Pinot Blanc – zero time in oak barrels and no malo-lactic fermentation, which keeps the wine focused on its expression of fruit. Limited-production item.

Our Semillon has floral aromatic notes of honeysuckle, jasmine, and anise. Crisp acidity, light and lively on the palate with a long, clean finish. Pairs well with spicy foods.
