

Robert Foley

VINEYARDS

2010 Cabernet Sauvignon

Napa Valley

This 100% varietal combines the firm character of mountain-grown fruit with the more supple and lush fruit grown at lower elevations. The 2010 offers a note of sophistication with a rich, dark nose that's seductive and captivating. The tannins integrate beautifully as it opens to show nice earth and terroir components. It is big, rich, and chewy on the palate with a long and graceful finish.
